

THE AUSTRALIAN HEALTHCARE ANNUAL REVIEW 2018

A Product of Publications and Exhibitions Australia Pty Ltd

PUBLICATION OVERVIEW

The Review is an annual publication showcasing the amazing standard of healthcare delivered to Australians in our hospitals today.

Our journalists will look nationally to produce stories and articles highlighting the exemplary outcomes achieved by the dedicated professionals behind the success of our world class hospitals.

Eminent medical leaders will be invited to participate in interviews, provide case study material and point to important research in advancing the delivery of healthcare, ensuring a diverse and engaged readership.

Hospital administrators will examine the new systems and technologies which help to improve and expedite processes.

The Review is an independent, positive analysis on the challenges and successes of Australia's hospital sector.
